RILEY
Yo why we genuinely still on reels gang? There's a new feature on Facebook. Check it out.

JAMIE
Bro, nobody's on Facebook anymore. I'm on Instagram, Snap, WhatsApp, Hinge, Beli, Grindr. My phone's out of storage. I'm not trying to download another app.

RILEY
Wait, aren't you trying to get housing for the summer? Since you got that McDonald's SWE internship?

JAMIE
Bro, I don't know anyone in Chicago, so I'm kind of homeless right now. I'm just gonna post on Facebook Marketplace and pray someone comes through.

RILEY
Bro, that's so chopped. People always be ghosting me or they genuinely got no profile, cause no one's real on that app anymore. But this new feature, tho...
